NEW PRIMED RAISED PANEL

LEVANTE™ SERIES

Roughly translating to *elevate* or to *raise*, Levante™ captures the essence of our new line of raised panel stile and rail doors. Crisp panel detail, engineered LVL stiles for performance and EasyPrep primer truly set it apart from the alternatives. It offers the panel designs people want – ready to paint. You won't find this door anywhere else, much less at such an unbeatable value.

#21PR
Arched Top 2-Panel

#22PR
Square Top 2-Panel

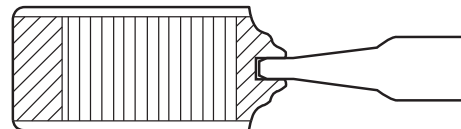

#66PR
6-Panel

Crisp Panel Detail

In addition to higher quality construction than molded doors, our unique stile and rail offering features well defined sticking and raised paneling.

Bead & Cove In Stock

Above doors stocked in 1/6, 2/0, 2/4, 2/6, 2/8 and 3/0 widths. Bifolds not available.

ADDITIONAL STYLES

In addition to our stock offering, we have V-Groove and 5 Panel doors available - just add a week to your normal lead time.
